

## Important Belize Travel Information

Thank you for booking your stay with us while visiting Southern Belize. To ensure you have a fun, memorable trip, please allow this letter to provide you with important information on Belize's new entry requirements and protocols for visitors to ensure you have a safe trip.

The following are some guidelines to help you prepare for your trip and know what to expect when you arrive. A summary is also included at <https://www.hickatee.com/belize-travel-expectations>.

### Before Your Visit

- Download the Belize Health App on your phone at <https://belizetourismboard.org/news-and-gallery/belize-covid-19-update/> and complete the required information prior to boarding the flight to Belize. A QR code with a unique ID number will be returned to you and will be used for contact tracing while in Belize.
- We encourage you to take a Covid-19 PCR test within 96 hours of travel to Belize, as a negative result will allow for a 'fast track' arrival process.
- Ensure you stay and travel with only approved Gold Standard businesses. Hickatee Cottages is proud to be an approved, Gold Standard hotel.

### On Arrival in Belize:

- You will disembark the plane wearing a face mask and proceed to health screening.
- If you brought along your negative COVID-19 PCR test, you will proceed to the 'fast track' lane for Immigration & Customs processing. Depending on your health screening, you may be randomly selected for secondary testing.
- If you are unable to bring the results of a PCR test, you must proceed to the testing area where you will be required to take a COVID rapid test. Testing is at the passengers' expense and costs US\$50.00.
- Proceed to Immigration and Customs, and then exit the airport via the Safe Corridor using approved air or ground transportation.

### During your Stay in Belize and at Hickatee Cottages:

- While in country face masks are mandatory in all public spaces, and you are advised to practice social distancing and proper hand hygiene to protect yourself and others.
- At Hickatee Cottages, we have implemented enhanced health & safety measures. We welcome you to read about our Health & Safety Commitment and information on guest expectations at <https://www.hickatee.com/our-health-safety-commitment>.
- We also offer a restaurant, bar, splash pool and on-site activities for you to enjoy a peaceful, jungle experience. Should you be interested in exploring the Toledo District, we are happy to assist you with tour arrangements from a Gold Standards approved tour operator.

For more information and latest updates on the new destination protocols and frequently asked questions, please visit: <https://www.travelbelize.org/health-safety>

Thank you for choosing Hickatee Cottages, and we look forward to meeting you! Should you have any questions, please let us know.

Warm Regards,

Hickatee Cottages Owner
